Train your team with Sterling Academy

Every course is online and self-paced, and ends with a final exam and a verifiable certificate that anyone can check by its QR code.

Teams pay a lower price per learner from 11 learners. Your client administrators assign each person the courses their role needs, follow every learner's progress and download training records whenever an auditor or customer asks.

Taking more than one course? Ask us for a special bundle price for two or more courses, for yourself or your team.
