AWARENESS TRAINING · CONTINUAL IMPROVEMENT

5S and Kaizen Training

Self-paced online training (video) · 10 modules · about 105 min of video · about 3 hours in total · English, with captions

Organise any workplace with 5S, from red tags to audits, and improve it step by step with kaizen, on the shop floor and in the office, so the gains last after the first clean-up.

WHO IT IS FOR

Operators, technicians, supervisors, team leaders, office and warehouse staff and managers in manufacturing, logistics and service organisations who want a cleaner, safer and more efficient workplace.

WHAT YOU WILL LEARN

- Explain what 5S and kaizen are and how they fit into lean
- Sort a work area with red tags and decide what stays
- Set items in order and use shine as a daily inspection
- Standardise 5S with visual controls, checklists and duties
- Sustain 5S with audits, scores and management checks, including safety
- Plan, run and follow up a kaizen event, and support daily improvement
