AWARENESS TRAINING · SUSTAINABILITY REPORTING

CSRD and ESRS Awareness

Self-paced online training (video) · 10 modules · about 110 min of video · about 3 hours in total · English, with captions

Understand the EU's Corporate Sustainability Reporting Directive and the ESRS after the 2026 Omnibus changes, from who must report to double materiality, the standards and assurance of the sustainability statement.

WHO IT IS FOR

Finance, sustainability and ESG teams, managers who supply sustainability data, board members, and staff of suppliers to large EU companies that receive value-chain data requests.

WHAT YOU WILL LEARN

- Explain the purpose of the CSRD and how the 2026 Omnibus changes narrowed its scope
- Recognise which companies must report and what their suppliers may be asked for
- Describe double materiality: impact materiality and financial materiality
- Understand the structure of the ESRS and their main topics
- Know how the sustainability statement is prepared, assured and published
- Recognise your own part in providing reliable sustainability data
