AWARENESS TRAINING · GOOD PRACTICE (GXP)

Herbal Medicinal Products GMP Training (EU GMP Annex 7)

Self-paced online training (video) · 10 modules · about 110 min of video · about 3 hours in total · English, with captions

Apply EU GMP Annex 7 to herbal medicinal products, from good agricultural and collection practice and storage of herbal substances to specifications, adulteration checks, sampling, quality control and release.

WHO IT IS FOR

Quality assurance and quality control staff, production supervisors, warehouse and sampling staff, supplier auditors, regulatory staff and Qualified Persons at manufacturers and suppliers of herbal medicinal products and herbal preparations for the EU market.

WHAT YOU WILL LEARN

- Explain where good agricultural and collection practice, Part II and Part I apply
- Qualify and audit suppliers of herbal substances and herbal preparations
- Store and handle herbal substances to prevent pests, mould and cross-contamination
- Write a herbal substance specification that meets Annex 7
- Examine incoming material for adulteration, substitution and foreign matter
- Sample heterogeneous plant material and keep reference samples

MODULES (10)
