# GMP Supplier Qualification Training

Self-paced online training (video) · 10 modules · about 110 min of video · about 3 hours in total · English, with captions

Qualify the suppliers of active substances, excipients and packaging for medicines: rate the risk, assess and audit, agree quality terms, decide when certificates can be trusted, and monitor performance over time.

## WHO IT IS FOR

QA staff, supplier quality and purchasing staff, QC staff who test incoming materials, auditors, and managers at pharmaceutical, API and excipient companies who approve or monitor suppliers.

## WHAT YOU WILL LEARN

- Explain what FDA and EU GMP expect of a supplier qualification programme
- Classify materials and suppliers by risk to the patient and the product
- Assess and audit a new supplier and record the decision
- Agree specifications and quality agreements that define responsibilities
- Decide when a supplier's certificate of analysis can replace in-house tests
- Monitor, requalify and, when needed, remove suppliers
