AWARENESS TRAINING · PRIVACY AND DATA PROTECTION

India DPDP Act Awareness Training

Self-paced online training (video) · 9 modules · about 105 min of video · about 3 hours in total · English, with captions

Understand India's Digital Personal Data Protection Act, 2023 and the DPDP Rules, 2025: who they apply to, what data fiduciaries must do, the rights of data principals, and your own part in everyday work.

WHO IT IS FOR

Employees, team leaders and managers of Indian companies and of overseas companies that offer goods or services to people in India, including fintech, e-commerce, healthcare, IT services and BPO staff who handle personal data.

WHAT YOU WILL LEARN

- Explain why the DPDP Act exists and the dates on which its provisions apply
- Recognise personal data and the roles of data fiduciary, data processor and data principal
- Describe what a valid notice and consent look like, and the certain legitimate uses
- Handle personal data securely and report a suspected breach at once
- Recognise and route requests from data principals to the right team
- Describe the Data Protection Board of India and the penalties in the Act

MODULES (9)
