India DPDP Act Implementation Training

Self-paced online training (video) · 26 modules · about 5 hours of video · about 7 hours in total · English, with captions

Build and run a DPDP compliance programme for India's Digital Personal Data Protection Act, 2023 and the DPDP Rules, 2025, step by step, from data mapping and notices to breach intimation, rights and audits.

WHO IT IS FOR

Data protection officers, privacy and compliance managers, legal counsel, CISOs and IT leads, product and engineering managers, and consultants preparing Indian companies, and overseas companies serving people in India, for the DPDP Act and Rules.

WHAT YOU WILL LEARN

- Plan a DPDP programme against the Act's and the Rules' phased dates to May 2027
- Map personal data, purposes, roles and processors in a data inventory
- Write notices and consent flows that meet section 5, section 6 and rule 3
- Put in place the security safeguards of rule 6 and a breach intimation process for rule 7
- Run rights, grievance, retention and erasure processes with their records
- Prepare for Significant Data Fiduciary duties, Board inquiries and penalties
