ISO 37001:2025 Internal Auditor Training

Self-paced online training (video) · 25 modules · about 6 hours of video · about 8 hours in total · English, with captions

Plan and carry out internal audits of an anti-bribery management system against ISO 37001:2025, clause by clause, following ISO 19011:2026 guidance, from bribery risk and due diligence to nonconformities and follow-up.

WHO IT IS FOR

Compliance and anti-bribery function staff, internal auditors, finance, procurement, sales and HR team members, managers of higher-risk functions, and anyone appointed to carry out internal audits of an ISO 37001 anti-bribery management system.

WHAT YOU WILL LEARN

- Explain what ISO 37001:2025 requires of internal audits, including who may audit and what they review
- Plan a risk-based audit and prepare checklists from the standard and the bribery risk assessment
- Audit each clause, from context and the anti-bribery culture to investigations and review
- Follow one high-risk transaction end to end, from due diligence and commitments to payment
- Write clear nonconformities that state the requirement, the evidence and what was found
- Report audit results to managers, top management and the governing body, and follow up corrective actions
