ISO 45001 Internal Auditor Training

Self-paced online training (video) · 26 modules · about 7 hours of video · about 9.5 hours in total · English, with captions

Plan and carry out internal audits of an OH&S management system against ISO 45001:2018, following ISO 19011:2026 guidance, from checklists to nonconformities and follow-up.

WHO IT IS FOR

Health and safety team members, supervisors, worker representatives, HSE managers and anyone appointed to carry out internal audits of an ISO 45001 system.

WHAT YOU WILL LEARN

- Explain what ISO 45001:2018 clause 9.2 requires of internal audits and the internal audit programme
- Plan an audit and prepare checklists covering hazards, risks, legal requirements and operational controls
- Interview workers and managers, observe work and sample records to gather objective evidence
- Write clear nonconformities that state the requirement, the evidence and what was found
- Report audit results and follow up corrections and corrective actions
