Build the competence. Prove it with confidence.

COURSE BROCHURE

AWARENESS TRAINING · ASSET MANAGEMENT

ISO 55001:2024 Asset Management Awareness

Self-paced online training (video) · 13 modules · about 115 min of video · about 3 hours in total · English, with captions

Understand how an asset management system helps an organisation realise value from its assets and the part every employee plays.

WHO IT IS FOR

Top management, asset managers, engineering, maintenance, operations and finance teams, and all staff in organisations using or planning ISO 55001.

WHAT YOU WILL LEARN

- Explain what asset management is and why organisations adopt ISO 55001
- Describe how asset management balances cost, risk and performance
- Understand the strategic asset management plan and asset management objectives
- Recognise how decisions across an asset's life cycle affect value
- Describe your own part in managing and improving assets

MODULES (13)
