ISO/IEC 27701:2025 Internal Auditor Training

Self-paced online training (video) · 25 modules · about 6 hours of video · about 8.5 hours in total · English, with captions

Plan and carry out internal audits of a privacy information management system against ISO/IEC 27701:2025, clause by clause and control by control, following ISO 19011:2026, for PII controllers and processors.

WHO IT IS FOR

Privacy and data protection officers, compliance and legal staff, internal auditors, ISMS auditors adding ISO/IEC 27701, and staff of SaaS, cloud, healthcare and BPO organisations appointed to audit the privacy information management system.

WHAT YOU WILL LEARN

- Explain what ISO/IEC 27701:2025 clause 9.2 requires of internal audits and the audit programme
- Audit how roles as PII controller or PII processor are determined for each processing
- Audit privacy risk assessment, risk treatment and the statement of applicability
- Audit the Annex A controls for PII controllers, PII processors and the security of PII
- Gather evidence from processing records, contracts, requests and incident records
- Write clear nonconformities, report results and follow up corrective action
