MAS Technology Risk Management Awareness Training

Self-paced online training (video) · 10 modules · about 115 min of video · about 3 hours in total · English, with captions

Understand what the Monetary Authority of Singapore expects of financial institutions on technology risk: governance, risk management, resilience, access control, cyber operations, testing and the binding TRM and Cyber Hygiene Notices.

WHO IT IS FOR

Staff, managers and board members of banks, insurers, payment and capital markets firms regulated by MAS, and the IT, operations, risk, compliance and outsourced service teams that support them in Singapore and abroad.

WHAT YOU WILL LEARN

- Explain how the MAS TRM Guidelines and the TRM and Cyber Hygiene Notices fit together
- Describe the roles of the board, senior management and staff in technology risk
- Apply the six cyber hygiene requirements to everyday systems and accounts
- Recognise a relevant incident and the one-hour notification duty for banks
- Explain availability, recovery time and testing expectations for critical systems
- Support access control, change, patch and third-party controls in your own role
