AWARENESS TRAINING · PRIVACY AND DATA PROTECTION

Saudi PDPL Awareness Training

Self-paced online training (video) · 10 modules · about 105 min of video · about 3 hours in total · English, with captions

Understand the Saudi Personal Data Protection Law and its regulations, from personal and sensitive data, consent and individual rights to breach notification, transfers outside the Kingdom and your own role.

WHO IT IS FOR

Employees, team leaders and managers of organisations in Saudi Arabia, and of organisations abroad that process personal data of people living in the Kingdom, including retail, healthcare, finance, technology and BPO staff.

WHAT YOU WILL LEARN

- Explain why the PDPL exists, when it came into force and who it applies to
- Recognise personal data, sensitive data and the roles of controller and processor
- Describe consent, the other legal bases and what a privacy notice must say
- Recognise data subject requests and route them in time
- Handle personal data securely and report a suspected breach at once
- Describe transfers outside the Kingdom, SDAIA's role and the penalties
