AWARENESS TRAINING · ASSURANCE & TRUST

SOC 2 Awareness

Self-paced online training (video) · 14 modules · about 115 min of video · about 3.5 hours in total · English, with captions

Understand the controls and evidence behind customer assurance.

WHO IT IS FOR

Professionals and teams supporting service organisation controls

WHAT YOU WILL LEARN

- Understand the purpose of SOC 2 reporting.
- Recognise the five Trust Services categories and the role of scope.
- Understand how controls, evidence and individual responsibilities support assurance.

MODULES (14)

1. What a SOC 2 report is, and what it is not
2. The SOC family and ISO/IEC 27001
3. The five Trust Services Categories, and how criteria and controls relate
4. Type 1 or Type 2, and the period of review
5. The system description (the nine description criteria)
6. Subservice organisations and your customers' own controls
7. Scoping and readiness (Sterling's recommended approach)
8. Evidence through the period
9. Fieldwork: how the service auditor tests; exceptions and management...
10. Reading a SOC 2 report, a vendor's report, bridge letters and year two
11. Your part every day
12. The controls behind daily work: access, change and incidents
13. Confidentiality and privacy criteria in practice
14. After the report: exceptions, remediation, staying ready, your part
