AWARENESS TRAINING · REGIONAL LAWS AND REGULATIONS

South Africa POPIA Awareness Training

Self-paced online training (video) · 10 modules · about 110 min of video · about 3 hours in total · English, with captions

Understand South Africa's Protection of Personal Information Act, from the eight conditions for lawful processing and special personal information to security compromises, direct marketing, information officers and your own role.

WHO IT IS FOR

Employees, team leaders and managers of South African public and private bodies, and of organisations abroad that process personal information in South Africa, including finance, insurance, retail, health, education and call centre staff.

WHAT YOU WILL LEARN

- Explain who POPIA applies to and when its duties took effect
- Recognise personal information, special personal information and children's information
- Apply the eight conditions for lawful processing in everyday work
- Recognise data subject requests and objections and route them correctly
- Protect personal information and report a security compromise at once
- Describe direct marketing rules, transfers, information officers and enforcement

MODULES (10)

1. Why POPIA matters
2. Scope and key terms
3. Conditions and lawful grounds
4. Purpose, retention and quality
5. Openness and notification
6. Security and compromises
7. Data subjects' rights
8. Special information and children
9. Marketing, automation and transfers
10. Officers, enforcement and your role
