AWARENESS TRAINING · REGIONAL LAWS AND REGULATIONS

UK GDPR and Data (Use and Access) Act Awareness Training

Self-paced online training (video) · 10 modules · about 110 min of video · about 3 hours in total · English, with captions

Understand UK data protection law as amended by the Data (Use and Access) Act 2025, from lawful bases, recognised legitimate interests and rights requests to automated decisions, cookies, breaches and complaints.

WHO IT IS FOR

Employees, team leaders and managers of UK organisations, and of organisations abroad that serve people in the UK, including retail, finance, health, technology, marketing and outsourcing staff who handle personal data.

WHAT YOU WILL LEARN

- Explain which UK laws apply, what the 2025 Act changed and when each change took effect
- Recognise personal data, special category data and the roles of controller and processor
- Choose a lawful basis, including the new recognised legitimate interests
- Handle rights requests, including searches, time limits and clarification
- Apply the new rules on automated decisions, cookies and direct marketing
- Report a personal data breach at once and route complaints the way the law now requires
